What sets us apart? **Organic Cold Pressed Oils and Organic Sugars** in almost everything we make. We do not use **Preservatives, Soy and source GMO Free and Hormone Free** when possible.

Our moto is **“Eat it or Freeze it!”** It will stay fresher longer and won’t dry out. Frozen items should thaw on the counter.

Sandwiches can be made from the frozen stage or microwave bread first for a few seconds. For crusty French bread, reheat bread wrapped in tin foil and place in the oven for a few minutes.

Some items have minimums that may apply for **pre-orders**. We need a one to two day notice for pre-orders.
